

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them. Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects. All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath. Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

JUSTICE HUGHES WINS IN OREGON

Even the Women of the State are For Him, Although Mrs. Hughes May Prefer to Keep Him Out of the White House.

Portland, Ore., May 22.—Hughes has Oregon. The women are for him, whether Mrs. Hughes wants him in the presidential chair or not. "We'd like to accommodate Mrs. Hughes," they say, "but we want Hughes." The Oregon women voted for the justice.

Representative McArthur will retain his seat in Congress. Ex-Congressman Lafferty is second in the ballot, and E. V. Littlefield, with his "Good Government" and "Dry" slogan, is third.

So far as the Progressives are concerned there is even less for them to worry about. Only ten of them are candidates and they are all running without opposition. Eight had their names on the Progressive ballot in Multnomah county, the most densely populated county in the state.

On the ballot were the names of Burton, Cummins and Hughes, each recognized as a Progressive Republican, but the Progressive party managers attempted to put the rollers under Burton and Hughes for the sake of Roosevelt. The selection of Cummins was because Cummins is supposed to be stronger in Oregon than Burton. This being the theory, they sought to influence the Republicans to vote for Cummins and knife Hughes for the influence it will have on the Hughes boom at the national convention.

How to Heal Skin-Diseases

A Baltimore doctor suggests this simple, but reliable and inexpensive, home treatment for people suffering with eczema, ringworm, rashes and similar itching, burning skin troubles. At any reliable druggist's get a jar of resitol ointment and a cake of resitol soap. These are not at all expensive. With the resitol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resitol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.

Almost any soap will clean the skin and hair. But those who want a soap which not only cleanses but actually helps the complexion and hair are wise to choose resitol soap.

HISTORIC FLAG INCIDENTS

Barbara Frietchie and The Flag

Here we show the main incident in the story of Dame Barbara Frietchie, who, gray-haired old woman though she was, feared not to flaunt the beloved Stars and Stripes in the very faces of the enemies of her country as they marched through the streets of Fredericktown.

That the rebel leader, General Stonewall Jackson, recognized and honored her act as one of extreme bravery and patriotism, is shown by the lines of the verse in which he says: "Who harms one hair of yon gray head Dies like a dog; march on," he said.

Occasions constantly arise in every village and municipality when every patriotic American citizen should SHOW THE COLORS. Upon every national holiday and upon occasions of a purely local nature, the Stars and Stripes, floating to the breeze from every house and flagstaff, lends color to the occasion and fosters a spirit of patriotism as well.
